

Reward 2

spot the difference

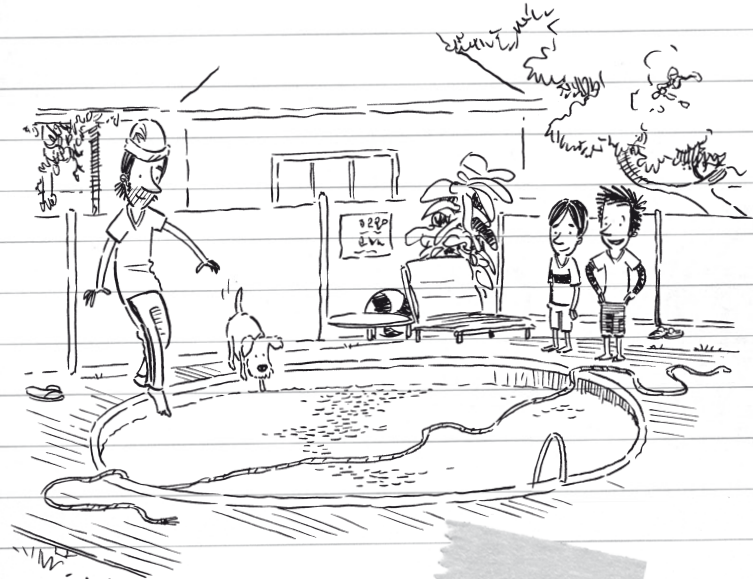

Wow! That is the end of chapter two, which can only mean one thing. You are a reading maniac who deserves another End of Chapter Reward.

This one is a picture puzzle. What you have to do is look very closely at the next two pictures until you have found TEN teensy-weensy little differences between them. They are hard to spot. You may have to try really hard. You may have to stare at the pictures for a very long time. Please do not stare at them for so long that your eyes pop out. That would be trying a little too hard.

Here is a picture with lots going on. →

This picture has ten changes. See if you can find them all.

Okay, you have had a break from reading. Now it's time to get back to my thrilling, exciting and quite still doing our manning job with Ricky. But this time about getting out of very tight places.
